

FRESNO COUNTY LINKAGES

Vision

Children are entitled to live in a safe and healthy environment with families that are nurturing, stable and self-sufficient.

Mission

Fresno County will link and coordinate realistic services for multi-system families to achieve success.

Guiding Principles

Fresno County will use a comprehensive team approach to coordinate services based on a common ground that:

- Respects client choice and family goals,
- Collaborates with families and multi-systems,
- Supports simplified processes that reduce duplication of services, and
- Provides effective and efficient services.
