LINKAGES Vision/Mission

Vision: Streamlined communication and coordination between CalWORKs and Child Welfare Services will result in improved access to resources for families.

Mission: Supporting families that are eligible for CalWORKs benefits through the application process so that all families who are eligible can receive targeted benefits and services designed to address the specific needs of the family.

Guiding Principles: Amador County CalWORKs and Child Welfare Services staff will use a comprehensive team approach to coordinate services based on these common goals:

- Help families achieve independence and maintain self-sufficiency.
- Provide personalized services that meet the unique needs of individuals, families and community.
- Provide coordinated services based on community and network support to help keep Amador County children safely in their home.
- Act as partners to strengthen families and increase child safety.
- Reunite families more quickly so that children can live safely at home.
