

# Join the Linkages Collaborative!

## Linkages makes a difference for families!

Families experience better outcomes and increased support for employment, behavioral health, and basic needs through Linkages.

## As a Linkages county, you will receive:

### Peer Connections & Sharing Best Practices

We host virtual and in-person opportunities to learn and connect—**through webinars, regional meetups, and bi-annual convenings** on statewide hot topics. Our AB135 webinars offer practical guidance for Linkages counties—**take a look!**

### Toolkits

Our **toolkits** are available on the CFPIC Linkages website to help Linkages counties with **Planning & Implementation, Communication, Training, Prevention, and Evaluation** including work plans, training curricula, sample brochures, and more!

### Support Calls

The CFPIC Linkages team can assist with building your county's collaborative process. Whether you're just getting started, reinvigorating, or revising your Linkages approach, we are here to help. **Schedule a call with us here!**

### CalPREVENTS

CalPrevents is an online platform that allows all Linkages teams to network and share resources and information. You can send a request via email to [andrea.lewis@cfpic.org](mailto:andrea.lewis@cfpic.org) to join the conversation!

### Keeping Linked Newsletter

Our **quarterly publication** provides updates, resources, success stories, and tools. **Click here** to be added to our Linkages email list.
