

***Linkages Vignette Workshop***  
***Handout 2: Application Activity***

**Purpose:**

Move from theory to implementation by exploring how vignette-based learning can be used in your local context.

**Instructions:**

- Form small groups of 4 to 6 participants
- Select a note-taker to capture key ideas
- Be prepared to share highlights with the larger group

**As a group, please discuss these questions:**

1. Where could these vignettes fit in your county?
2. What adaptations would be needed locally?
3. What barriers might you encounter?
4. What is one concrete next step you could take in the next 90 days?

**Each group will be asked to briefly share:**

1. One key idea or insight
2. One next step
